Income tax time is just around the corner! The enclosed packet has been prepared to assist you in gathering information for your 2023 tax return. Review the entire packet and answer any questions that apply.

Certain lines in the packet contain information from last year's return. You do not need to change the dollar amounts from last year; these figures are provided for reference only.

Tax planning is one element of sound financial management. Comprehensive financial planning helps determine financial objectives, alternative plans, implementing those plans, and then periodic review for necessary adjustments. A person's overall financial affairs — cash flow, investments, savings, insurance, retirement plans, education planning, debt management, tax planning, and estate planning - are considered when crafting a plan to help meet your financial objectives.

Additionally, we are prepared to help answer other financial questions, such as:

Is interest income from my government guaranteed investments keeping up with inflation?

Is my retirement savings sufficient and secure?

Am I comfortable with the amount of volatility my investments have experienced?

Can I lower the rate of interest on my existing mortgage loan, or improve my cash flow by refinancing? Can I afford to purchase the home of my dreams?

Bring this packet and all supporting documents, including W-2 and 1099 statements, to your tax-preparation appointment. We appreciate your trust in our business. Contact our office at (757)285-7272 if you have any questions or need additional information.

It is an honor and a privilege to assist in minimizing your significant tax burden and other financial matters.

Sincerely.

DAVID SCOLAMIERO CPA

Subject: Preparation of Your 2023 Tax Returns

:

Thank you for choosing David Scolamiero CPA to assist you with your 2023 taxes. This letter confirms the terms of our engagement with you and outlines the nature and extent of the services we will provide.

We will prepare your 2023 federal and state income tax returns. We will depend on you to provide the information we need to prepare complete and accurate returns. We may ask you to clarify some items but will not audit or otherwise verify the data you submit. An Organizer is enclosed to help you collect the data required for your return. The Organizer will help you avoid overlooking important information. By using it, you will contribute to the efficient preparation of your returns and help minimize the cost of our services.

We will perform accounting services only as needed to prepare your tax returns. Our work will not include procedures to find defalcations or other irregularities. Accordingly, our engagement should not be relied upon to disclose errors, fraud, or other illegal acts, though it may be necessary for you to clarify some of the information you submit. We will inform you of any material errors, fraud, or other illegal acts we discover.

The law imposes penalties when taxpayers underestimate their tax liability. Call us if you have concerns about such penalties.

Should we encounter instances of unclear tax law, or of potential conflicts in the interpretation of the law, we will outline the reasonable courses of action and the risks and consequences of each. We will ultimately adopt, on your behalf, the alternative you select.

Our fee is based on the time required at standard billing rates plus out-of-pocket expenses. Invoices are due and payable upon presentation. All accounts not paid within thirty (30) days are subject to interest charges to the extent permitted by state law.

We will return your original records to you at the end of this engagement. Store these records, along with all supporting documents, in a secure location. We retain copies of your records and our work papers from your engagement for up to seven years, after which these documents will be destroyed.

If you have not selected to e-file your returns with our office, you will be solely responsible to file the returns with the appropriate taxing authorities. Review all tax-return documents carefully before signing them. Our engagement to prepare your 2023 tax returns will conclude with the delivery of the completed returns to you, or with e-filed returns, with your signature and our subsequent submittal of your tax return.

To affirm that this letter correctly summarizes your understanding of the arrangements for this work, sign the enclosed copy of this letter in the space indicated and return it to us in the envelope provided.

Thank you for the opportunity to be of service. If you have any questions, contact our office at (757)285-7272.

Sincerely,

| DAVID SCOLAMIERO CPA<br>David Scolamiero CPA               |  |
